Celebrating World Ovarian Cancer Day at St James's Hospital Dublin

- 08 May 2018 -

MISA Conference Centre, St James's Hospital

Join us to celebrate the contribution of Emer Casey Foundation and our supporters to our Gynae Cancer Care appeal.

Followed by:

A series of short talks and discussions on new developments for the treatment of ovarian cancer.

10:30 Gynae Cancer Care – Celebrating the contribution of Emer Casey Foundation and our donors.

Listen to one of our patients share her story, on the life changing impact of lymphoedema.

11:30 New Developments in the Management of Ovarian Cancer

Speakers include:

Dr Dearbhaile O'Donnell

Dr Terri McVeigh

Ms Niamh White

Dr Claire Thompson

Dr Sharon O'Toole

12:30 Ends

Public Event. Refreshments will be provided.
