What we do best

4 Ward received the 2022 in-house Nursing Metrics Award for excellent quality care.

Stimulate patient's creativity by providing creative activities for our patients such as art, craft, music and bingo for their mental and physical wellbeing.

Overview of the ward

4 Ward is a twenty-three bedded ward including three single rooms. The purpose of the ward is to provide safe and effective discharge planning for medical patients who require goal-oriented input from the multi-disciplinary team. In addition to this cohort of patients, we also care for a wide range of acute medical conditions. Patient-centered care is at the heart of all that we do.

Testimonials

"It's hard to explain in one word, everything is good about nurses."

"Kind, friendly staff, from the minute I walked in felt very safe in their hands as nurses were always on hand and checking on me. "

Staff testimonials

"4 ward is a very positive environment to work in and I feel very supported since I joined."

"I cannot think of a better place to work that helps me develop both personally and professionally"
