

PROTECTED DISCLOSURES ANNUAL REPORT 2023

Section 22 of the Protected Disclosures Act 2014 requires the publication of a report by public bodies no later than 30 June each year relating to the number of Protected Disclosures made in the preceding year and of the actions taken, if any, in response to protected disclosures made.

One protected disclosure was received in respect of the period 1 January 2023 to 31 December 2023. An investigation was carried out and the matter was referred to the relevant Department who took appropriate action.

There were no Protected Disclosures carried over from previous years.

Date of Publication: 30 April 2024
